

Results and following weeks Fixtures 2020/21 Season

Please see below fixtures for the forthcoming season. Obviously, it is going to be a different season, and there will undoubtedly be some challenges along the way, but please bear with us with it all, as hopefully it won't be like this for too long. We will do our best to accommodate everyone, but we do have to explain a couple of bits. We MUST AVOID CANCELLATIONS, where possible, however, we understand that people may well have to isolate, or even lockdowns may happen, which we have left weeks to be able to postpone matches and move things back etc, but we can't postpone because someone has chosen to play elsewhere that week.

Hopefully we shall be able to get back to our normal venue ASAP. However, we are tied to when the school will allow us to return. In which case, we shall keep you all updated on this, and how it will change things. As you can see though, for the meantime we have 2 sessions, with Division 2 matches taking place within the first session at 6.00pm & Division 1 matches taking place in the second session at 7.45pm. If matches are not finished by the allocated time, then matches will have to finish there and then, and remaining matches will not be counted. E.g. If you have only finished 3 matches, then only those 3 matches will count towards the result and your total points.

First week of matches are the Team Handicap competition. Please check times and what table you are on.

We hope you all have a good season, we wish you luck and we shall endeavour to fully complete the season, even if it takes us to this time next year.

	Home Team			Away Team	Time/Table Number	Free Week	
Week 1 29/09/20	Big Hitters	152	v	168	Blades	6.00pm/Table 1	The Teletubbies
