

Dear Parent/Carer & Player,

Blitz TTC Junior Summer Table Tennis League 2022

This is a fantastic opportunity for young people in and around the Worksop, Gainsborough, Retford and other surrounding areas, to access some reasonably regular competitive play against players of a similar age and ability to them. For a lot of players, this may well be their first taste of competitive table tennis, and this should be an opportunity for those players to grasp at and enjoy what competitive table tennis has to offer. For those more experienced players, the league will provide some great local competition against players of a similar age and ability, which will be fantastic for their development within the sport.

The Blitz TTC Junior Summer Table Tennis League is open to boys and girls of all abilities, who are still at school.

The cost of the league is £20.00, and this covers all 4 days of competition. The league will take place from 1.30pm – 5.00pm on the following Saturday dates:

Saturday 7th May 2022

Saturday 28th May 2022

Saturday 18th June 2022

Saturday 2nd July 2022

By registering for the league, players are making a commitment to attend all dates given above.

The format of the league will be, where possible, divisions of 5-7 players, ensuring that all players will have a minimum of 4 singles matches per day. Each match will consist of playing 3 sets where a point is awarded for each set won. After each days play, players will be promoted or relegated depending on points won in that round. Promotion and relegation will only take place across the first 3 rounds, thereafter the divisions will be fixed. The final days play in July will determine the champions from each division.

All matches will be played at the following address:

Redlands Table Tennis Centre
Crown Street,
Worksop,
S80 1TH
